

# REACH product information

( Regulation EC/1907/2006 )

Concerning the following product grades ( brand name ) :

**ENSOFT® TPE-T**

Role Ravago Group :

**manufacturer / distributor**

Substance / preparation / article :

**preparation - art. 3(2)**

CAS / EINECS n° :

**not applicable ( polymer compound )  
TPE-T**

|                                          |                                                                                                 |
|------------------------------------------|-------------------------------------------------------------------------------------------------|
| Intend to pre-register (*)               | Completed for re-import by Ravago Distr. Center                                                 |
| Intend to register (*)                   | YES - monomers & necessary additives                                                            |
| Registration deadline                    | November 30, 2010                                                                               |
| Substances of Very High Concern (SVHC)** | Not intentionally used in the manufacture of the grades to which this declaration is applicable |

\* initial pre-registrations done by our relevant up-stream suppliers

\*\* 15 SVHC subst. as listed in the "Candidate List" published on ECHA-website 28/10/2008 ( see Annex to this declaration )

Enplast Plastik Kimya San. Ve Tic. A.S appointed Ravago Distribution Center NV - Moerenstraat 85A 2370 Arendonk – Belgium as Only Representative (OR) according to article 8 of the European Regulation EC N° 1907/2006 in order to fulfil its legal obligations for re-import of its products into Europe.
